Could you be King of the Airwaves?

Ever fancied broadcasting your own radio show? Well, if you live in the Cruddas Park area then this could be your chance. We have teamed up with community radio broadcasters NE1fm (102.5 fm) to produce a series of shows that will air weekdays between May 4 and May 15, broadcasting from the Park Road Community Centre.

You could promote a local event or community group, run a round table discussion of local issues, introduce some live music ... it's up to you! We're really keen that local people and local groups get involved and come forward with ideas. We are promoting the weekday 'drivetime' slot of 4.00pm to 7.00pm.

The shows can be pre-recorded or live and there are advertisement slots where you can promote any meetings, events or activities that are important to Cruddas Park - you could even come up with your very own jingle! The NE1fm team will be there throughout the two weeks to offer practical help, training and advice. There is also an opportunity to gain an NVQ through the training and development scheme that will run alongside the broadcast.

The station runs 365 days a year and is ran entirely by volunteers. Why not take a listen today?
