In this report you can find information about the homes we have let this month. This will help you decide which area you will be successful when finding a home.

You can see where the homes are we have let. You can also see why each home has been let. This is usually based on how long someone has lived in their previous home. Some homes are let to people with priority status or are Housing Management Lets.

Priority status is given to customers who are in urgent and immediate need to move. A Housing Management Let is given for exceptional reasons. An example of this is where we need a property in an emergency. Properties used for Housing Management Lets are usually properties that are always available.

If you need help to understand this report or would like a copy of Newcastle City Council's Lettings Policy, please contact staff in your local Community Housing Offices or the Your choice homes Property Shop.

Available properties are advertised each week in the Evening Chronicle, local Community Housing Offices, the Your choice homes Property Shop and many other locations across the City.

If you qualify to join the scheme you can express an interest in up to three homes each week. If you do not hear from us within six days of the closing date for a home you have not been successful. Please try again!
